Next Meeting

Our next Guild meeting will be held on Wednesday, February 15, 2006 . the time is still to be determined. We are trying to get people there as early as possible, hopefully between 5 and 5:30. Everyone needs to be reminded to fill out source questionnaire. The meeting will be held by Bob and Mike of Edmund Bein & Son where they will be hosting an intensive seminar on finishes and finishing techniques. There will be a technician from Chemcraft Finishes to talk about their products.
