

Professional Woodworker's Guild Of Long Island

~ March 2006 ~

Newsletter

At our March meeting we had an excellent turnout, and it's no wonder why, it was held at Ace Tools, and it was like being a kid in a candy store! A good part of the fun was due to the tool demonstrations given by Festool. They demonstrated for us several power tools with all their accessories. It was especially interesting to those Guild members who have used Festool tools before, and are familiar with the quality of the product. But for those members who hadn't, it was a good experience to see some of the tools they've never had the opportunity to work with before.

The Guild would like to thank Ace Tool for having us at their store, and for the food. A special thanks to all the people who work there & who helped make this happen for us. We really enjoyed ourselves.

The time flew by so quickly, that before we realized it, it was time to go, and we never even had a chance to talk about business.

Again, we would like to remind all members to help us get our website up and running, which would be to the benefit of all of us. We also want to remind everyone that it is time again to collect our dues. Please bring \$150.00 in cash per shop to our next Guild meeting.

Next Meeting

Our next Guild meeting will be held on Wednesday, April 12, 2006 at 6:30 P.M. The meeting will be held by Martin and Emerson Chin of Four Quarter.
